### DECREE OF RECOGNITION

In answer to the petition of the Couples for Christ Foundation for Family and Life through its president, Mr. Frank Padilla, after approving its statutes, I, as Bishop of Antipolo, officially recognize the aforementioned association as a private association of the faithful and grant it juridical personality.

Although the Couples for Christ Foundation for Family and Life is of diocesan right, it aims to work also in other dioceses, subject to the permission of their respective bishops, with the end in mind of asking later for itself official recognition as a national private association of the faithful from the Catholic Bishops' Conference of the Philippines.

Given at the Chancery of the Diocese of Antipolo, August 1, 2007.
