

COUPLES FOR CHRIST

Families in the Holy Spirit Renewing the Face of the Earth

CFC COUNCIL STATEMENT

We, the CFC Council reiterate our unwavering conviction in and commitment to Couples for Christ's total life and mission – evangelization, family renewal and total human liberation.

We stand in our belief as we had earlier expressed to the Church hierarchy that CFC is the heart of Gawad Kalinga, and that Gawad Kalinga is the fullness of God's gift to CFC.

As your anointed leaders, we continue to uphold CFC's history and time-honored tradition and culture. As you well know, we are in a time of transition moving from our 25th year celebration through the recent resignation of three (3) Council brothers and the continuance of the four (4) others to the completion of the term, in pursuit of a future full of hope and joy for the next generation of CFCs.

We therefore exhort all to pray for a Spirit – led election of leaders in the CFC International Council and Board of Elders on June 22, 2007.

We believe that God chooses and anoints the community's leaders. As in the past decade, we have gone through nominations for the CFC Council and will leave the process of selection to the Holy Spirit's wisdom and guidance of our Elders Assembly.

We enjoin all to honor and protect this process that has been an indelible feature of our community's culture. It is this same legacy that we will pass on to the next generation of CFC leaders.

We ask that all pray and fast for these intentions as we affirm God's protective hand and grace on us all in these times of challenge and transition. Let us all wait confidently on the Lord!

In the service of Jesus,

The CFC Council
