

# COUPLES FOR CHRIST

Families in the Holy Spirit Renewing the Face of the Earth

August 15, 2007

To the CFC Family:

Yesterday, August 14, we the CFC International Council, together with former council members Lachie Agana, Tony Meloto and Frank Padilla convened to discuss the issues facing the community. We are happy to say that we related to each other in an atmosphere of mutual respect in spite of the fundamental differences in positions.

We discussed with brotherly love the options of the two sides. We agreed that the most acceptable option at the moment is to separate ways due to some clear differences in mission, charism, and other points of deep disagreement. However, both parties are not closing the door on remaining as one united CFC. We are going to have another meeting primarily to discuss how to go about the separation peacefully and preserve friendship and good relationship for all concerned.

We thank the community for their prayers and patience and we humbly ask for everyone to continue praying for us and the whole community.

God bless us all.
