Dear Frank:

I received your letter dated October 4, 2007 about the establishment of the Couples for Christ Foundation for Family and Life. I have been assured that this new lay organization carries the blessings and support of the good Bishop of Antipolo.

In fraternal solidarity with the Bishop of Antipolo and as a gesture of confidence in your leadership that I have known through many years now, I grant the Couples for Christ Foundation for Family and Life permission to conduct formation programs in the Diocese of Balanga for an experimental period of two years beginning November 1, 2007 subject to renewal.

Please be assured of my pastoral concern and prayers that this new apostolic undertaking be blessed abundantly by the Lord of the harvest.

Sincerely yours,

+SOCRATES B. VILLEGAS
Bishop of Balanga
